### EDUCATION

#### **General Assembly | Los Angeles - Web Development Immersive Program**

June 2015 - Sept 2015

A few Computer Science classes at my local Community College brought me closer to my passion for web development but I sought a program with more relevant technologies and found it at General Assembly.

#### **Pima Community College | Tucson, AZ - Graphic Design & Darkroom Photography Focus**

2010-2015

I have always been involved in family business but I took the time to take classes in order to pick up skills that would benefit the small business industry as well as my own personal development.
